To the holders of the Ordinary Shares in Rapid Nutrition plc

Notice of General Meeting

Dear Shareholder,

I am pleased to be writing to you with details of the General Meeting ("**GM**") of Rapid Nutrition plc (the "**Company**") which we are holding at 747 Lytton Road, Murarrie, Qld 4172, Australia on Thursday 11 January 2024 at 8:00 am (QLD Australia Time), (10:00 pm UK Time, on Wednesday 10 January 2024). The formal notice of General Meeting is set out on page 6 of this document.

The GM has been convened for the purpose of considering certain ordinary and special resolutions (the "**Resolutions**") to reorganise the Company's share capital with a view to facilitating its ability to raise funds going forward.

Reduction in Nominal Value of Ordinary Shares

Management is proposing to effect a reorganisation of the Company's share capital (the "**Reorganisation**") by consolidating the ordinary shares on the basis of 1,000 existing ordinary shares for one new ordinary share and also reducing the aggregate nominal value of the ordinary shares in the Company. The purpose of the Reorganisation is to reduce the overall number of ordinary shares in issue and to allow the Company to raise further equity funds as set out below.

The existing ordinary shares in the Company (the "**Original Ordinary Shares**") have a nominal value of £0.0001 each, which is only slightly less than the Euro price at which they are currently trading on the Euronext Stock Market. English company law prohibits the issue of new shares at a price below their nominal value, and accordingly, the directors of the Company (the "**Directors**") believe that the ability of the Company to raise equity funding is, and will continue to be, inhibited unless the aggregate nominal value of the ordinary shares is adjusted downwards.

Pursuant to the Reorganisation, 195 additional ordinary shares of £0.0001 will be issued at par value. This allotment is being undertaken to ensure that the Company's ordinary share capital immediately prior to the Reorganisation will be exactly divisible by 1,000, such that an exact whole

number of consolidated shares will be created. As these additional ordinary shares would only represent an entitlement to a fraction of an Original Ordinary Share following the Reorganisation, this fraction will be dealt with pursuant to the arrangements for fractional entitlements described below. As a result of the allotment the number of Original Ordinary Shares in issue immediately prior to the GM will be 4,596,474,000. Then, every 1,000 Original Ordinary Shares that are in issue at the Record Date (as such term is defined below) will be consolidated into one share of £0.10 each. Every such consolidated share will subsequently be sub-divided into one ordinary share with a nominal value of £0.0001 (a “**New Ordinary Share**”) and one deferred share with a nominal value of £0.0999 per share (a “**New Deferred Share**”).

If the Company issues any additional ordinary shares between the date of this notice and the date of the GM, the number of ordinary shares to be allotted to ensure that the Company’s ordinary share capital immediately prior to the Reorganisation is exactly divisible by 1,000 may be adjusted accordingly.

The New Deferred Shares will not carry any dividend or voting rights, and holders of New Deferred Shares will only be entitled to a payment on a return of capital on a winding up of the Company after each holder of New Ordinary Shares has received a payment of £1,000,000 in respect of each such share. The New Deferred Shares therefore have effectively no value.

Most shareholders will not, at the Record Date, hold a number of Original Ordinary Shares that are exactly divisible by the consolidation ratio. The result of the Reorganisation, if approved, will be that such shareholders will be left with a fractional entitlement to a resulting New Ordinary Share. Any such fractions will be aggregated and the Directors will, in accordance with the Company’s articles of association, sell the aggregated shares in the market. The proceeds from the sale of the fractional entitlements shall be aggregated and retained for the benefit of the Company.

The Reorganisation requires certain amendments to the Company’s articles of association to set out the rights and restrictions attached to the New Deferred Shares, and these amendments are included in the new articles of association (the “**New Articles**”). Other than the amendments necessary to effect the Reorganisation, no other changes to the Articles are proposed. The New Articles with all the track changes are available in the Investor Relations section of the Company’s website at www.rnplc.com.

The Reorganisation is subject to the approval of shareholders at the GM and, if approved, the reduction in the aggregate nominal value of the ordinary shares will become effective at 7:00 am (UK time) on 12 January 2024 (the “**Effective Time**”). The key dates relating to the Reorganisation are set out in the table below.

Event	Date
Latest Time and Date of receipt of the Forms of Proxy	10:00 pm (UK Time) on 8 January 2024
GM	8:00 am (QLD Australia Time) on 11 January 2024 (10:00 pm UK time on 10 January 2024)
Record Date and Time for Reorganisation	6:30 pm (UK Time) on 11 January 2024.

Effective Time for the reduction of nominal value and issue of Deferred Shares	7:00am (UK Time) on 12 January 2024.
Admission of the New Ordinary Shares	8.00 am (UK Time) on 12 January 2024
CREST accounts credited with New Ordinary Shares	On or soon after 8.00 am (UK Time) on 12 January 2024
Certificates representing the New Ordinary Shares posted to shareholders	Not later than 26 January 2024

In the event that the Reorganisation is approved, there will be 4,596,474 New Ordinary Shares of £0.0001, 23,265,104 deferred shares of £0.99 (the “**Existing £0.99 Deferred Shares**”), 435,935,792 deferred Shares of £0.0099 (the “**Existing £0.0099 Deferred Shares**”) (the Existing £0.99 Deferred Shares and the Existing £0.0099 Deferred Shares together being the “**Existing Deferred Shares**”) and 4,596,474 New Deferred Shares of £0.0999 in issue when the Reorganisation becomes effective (assuming that no additional Original Ordinary Shares are issued between the date of this notice and the Effective Time).

The New Ordinary Shares will have the same rights and restrictions following the Reorganisation as currently provided in respect of the Original Ordinary Shares under the existing articles of association. New share certificates will be issued as part of the Reorganisation to reflect the new holdings and the existing ISIN GB00BLG2TX24 will be disabled as at 6.00 p.m. on 11 January 2024 and the New Ordinary Shares will be credited in CREST on or soon after 8.00 a.m. on 12 January 2024 under ISIN GB00BM9PTW47.

Following the Reorganisation, all mandates and other instructions, including communication preferences given to the Company by shareholders and in force at the Record Date shall, unless and until revoked, be deemed to be valid and effective mandates or instructions in relation to the New Ordinary Shares.

The New Deferred Shares will not be traded on Euronext or any other market and will not otherwise be transferable. No share certificates will be issued in respect of the New Deferred Shares, nor will the CREST accounts of holders of New Ordinary Shares be credited with any New Deferred Shares.

Attending the Meeting

The GM is being held in Australia having regard to the presence there of a significant number of shareholders and Company management.

If you would like to vote on the Resolutions but cannot come to the GM, please fill in the proxy form sent to you with this notice and return it to our registrars as soon as possible as set out in the notes to the notice. Alternatively, you may appoint a proxy electronically, if you hold your shares in CREST, through the CREST system. The registrars must receive your proxy appointment by 10:00 pm (UK time) on 8 January 2024.

Share authorities

Members are also being asked to grant the Company a share authority of 35,000,000 ordinary shares of £0.0001 each. This share authority will enable the Company to effectively undertake any necessary capital raising and operate the business as the Company sees fit.

Further information in relation to the use of this share authority is set out in the explanatory notes to the Resolutions.

Business of the meeting

Explanatory notes on the business to be considered at the GM appear on pages 11 - 13 of this document.

Recommendation

The Directors believe that all of the Resolutions are in the best interests of the Company and its shareholders as a whole. In particular, we believe that New Ordinary Shares with a nominal value of £0.0001 per share can be offered on terms which will be attractive to new investors. The Directors will therefore be voting in favour of all the Resolutions in respect of their individual beneficial holdings and unanimously recommend that you do so as well.

Yours sincerely,

 - 1.3 the aggregate number of New Ordinary Shares and New Deferred Shares to which a member shall be entitled shall be rounded down to the nearest whole number of New Ordinary Shares and New Deferred Shares (or, as the case may be, nil) and any fraction of a New Ordinary Share and New Deferred Share to which a member of the Company would otherwise have been entitled shall, so far as practicable, be aggregated with the fractions of a New Ordinary Share and a New Deferred Share to which other members of the Company would otherwise have been entitled;
 - 1.4 the directors of the Company be and are authorised and entitled, should they choose, to sell (or appoint any other person to sell), on behalf of relevant members of the Company, all the New Ordinary Shares representing fractional entitlements arising as a result of the share capital reorganisation, at such price as the directors shall reasonably determine, to the Company or a third party and to retain the proceeds of sale for the benefit of the Company and any director (or any person appointed by the directors) be authorised to execute and deliver instruments or instructions of transfer and to do any and all acts and things and make any and all arrangements as such director (or person appointed by the directors) considers necessary, expedient or appropriate to effect the transfer, settlement and/or disposal of such shares; and

3.3 this power applies in relation to a sale of treasury shares which constitutes an allotment of equity securities by virtue of section 560(3) of the Companies Act 2006 as if the words "under the authority conferred by Resolution 2" were omitted from the introductory wording to Resolution 3.1.

Notes

1. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this notice.
2. To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Equiniti, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA no later than 10:00pm (UK time) on 8 January 2024.
3. The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in paragraph 7 below) will not prevent a shareholder attending the General Meeting and voting in person if he/she wishes to do so.
4. To be entitled to attend and vote at the General Meeting (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at 6.30pm (UK Time) on 8 January 2024 (or, in the event of any adjournment, at 6.30pm on the date which is two days before the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
5. As at 12 December 2023 (being the last business day prior to the publication of this notice), the Company's issued share capital consists of:
 - a) 4,596,473,805 ordinary shares of £0.0001 each, carrying one vote each (the "**Original Ordinary Shares**"); and
 - b) 23,265,104 deferred shares of £0.99 each and 435,935,792 deferred shares of £0.0099 each, which do not carry any rights to vote (the "**Existing Deferred Shares**").

As set out earlier in this document, 195 Original Ordinary Shares will be issued by the Company in order to ensure that the total number of Original Ordinary Shares are divisible by 1,000, which would give a total of 4,596,474,000 Original Ordinary Shares if there are no other changes to the number of Original Ordinary Shares.

6. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual, which can be viewed at www.euroclear.com. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
7. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly

authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by 10:00 pm (UK Time) on 8 January 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

8. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
9. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
10. Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.
11. Any shareholder attending the General Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the company or the good order of the meeting that the question be answered.
12. A copy of this notice, and other information required by s.311A of the Companies Act 2006, can be found at <https://mplc.com/investors/corporate-calendar/>
13. Shareholders may not use any electronic address provided in either this notice of meeting or any related documents (including the chairman's letter and the proxy form) to communicate with the Company for any purposes other than those expressly stated.

EXPLANATORY NOTES TO RESOLUTIONS

Resolutions 1 and 2 are proposed as ordinary resolutions. This means that for the ordinary resolution to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 3, 4 and 5 are proposed as special resolutions. This means that for the resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 (Sub-division of ordinary shares)

Resolution 1.1 provides, in accordance with section 618 of the Companies Act 2006 (the “**Act**”), for the consolidation of every 1,000 ordinary shares of £0.0001 each in the capital of the Company into one consolidated share of £0.10 each, and the sub-division of every such consolidated share into one new ordinary share with a nominal value of £0.0001 (a “**New Ordinary Share**”) and one new deferred share of £0.0999 each (a “**New Deferred Share**”) with effect from 7am (UK time) on the 12 January 2024 (or, in the event of any adjournment, the second business day after this Resolution is passed, taking the date of passing as the date in the location of where the general meeting is held).

As at 12 December 2023 (being the latest practicable date prior to the publication of this notice), the Company’s issued share capital consists of:

- a) 4,596,473,805 ordinary shares of £0.0001 each (the “**Original Ordinary Shares**”); and
- b) 23,265,104 deferred shares of £0.99 each and 435,935,792 deferred shares of £0.0099 each,

each held by the Company’s members.

Immediately following the Reorganisation, the Company’s share capital would be made up of 4,596,474 New Ordinary Shares of £0.0001, 23,265,104 deferred shares of £0.99 each, 435,935,792 deferred shares of £0.0099 and 4,596,474 New Deferred Shares of £0.0999 (assuming there are no new shares issued between the date of this notice and the Effective Time).

The New Deferred Shares will not be listed and will not otherwise be transferable.

Without limitation thereto, the New Deferred Shares will not carry any right to attend or to vote at general meetings of the Company or to participate in dividends or other distributions by the Company. Likewise, on a winding-up or a return of capital of the Company, the holders of New Deferred Shares will participate (to the extent of the nominal value of such New Deferred Shares) only after the holders of the New Ordinary Shares have been paid the amount of £1,000,000 on each such share held.

The Company also will have authority to purchase New Deferred Shares in accordance with the Act without obtaining the consent of the holders thereof upon payment to each holder whose shares are purchased of one penny in respect of all the New Deferred Shares in issue.

The New Deferred Shares will not be traded on Euronext or any other market and will not otherwise be transferable. No share certificates will be issued in respect of the New Deferred Shares, nor will the CREST accounts of holders of New Ordinary Shares be credited with any New Deferred Shares.

The New Deferred Shares will be effectively worthless.

Resolutions 1.3, 1.4 and 1.5 seek approval for the directors' proposals regarding fractional entitlements. Best practice in the United Kingdom as set out in the Listing Rules (as issued by the United Kingdom Financial Conduct Authority) is that where a shareholder has a fractional entitlement, the issuing company must ensure that the fraction is sold for the benefit of that shareholder, except where the value of the fractional entitlement does not exceed £5.00, when it may be sold for the benefit of the company. Considering the market price of the Original Ordinary Shares as at the date of this notice, the market price of a single New Ordinary Share following the proposed capital reorganisation is due to be approximately €0.10. Given that the anticipated value of any such fractional entitlements is such a small amount no provision is being made for payment to shareholders, as the costs involved in arranging such payments would be greater than the amount due to be paid. For the aforementioned reasons, the directors are proposing that any fractional entitlements be sold for the benefit of the Company or retained by the Company. Any shares retained by the Company pursuant to Resolution 1.5 would effectively be transferred to the Company in accordance with section 659(1) of the Act.

Resolution 2 (authority to allot)

Resolution 2 would give the directors the authority to allot shares in the Company and grant rights to subscribe for or convert any security into shares in the Company up to an aggregate nominal value of £3,500.

This authority is being sought to provide the directors with a general authority of shares to be used at their discretion and to enable the Company to grow and expand as envisaged by the directors. The directors will not consider there to be any limits to the use of this authority, other than as prescribed by law.

The directors' authority will expire on the earlier of the conclusion of the Annual General Meeting of the Company at which the Company's annual accounts for the financial period ended 31 December 2024 are presented, and 30 June 2025.

Please also see the explanatory notes to proposed Resolution 3 relating to the disapplication of statutory pre-emption rights.

Resolution 3 (statutory pre-emption rights)

Under company law, when new shares are allotted or treasury shares are sold for cash, they must generally first be offered to existing shareholders pro rata to their holdings. This special resolution gives the directors authority, for the period ending on the conclusion of the Annual General Meeting of the Company at which the Company's annual accounts for the financial period ended 31 December 2024 are presented, or 30 June 2025, whichever is earlier, to allot shares of the Company, or sell treasury shares, for cash up to an aggregate nominal value of £3,500 in each case as if the pre-emption rights in company law did not apply. This disapplication of statutory pre-emption rights relates to the authority to allot as proposed under Resolution 2.

Resolution 4 (adoption of new articles of association)

Resolution 4 approves the adoption of new articles of association (the “**New Articles**”) for the Company in the form to be produced at the meeting. The New Articles are also available on the Company’s website at <https://rnplc.com/corporate/governance/>

The New Articles are the same as the existing articles of association of the Company other than provisions relating to the New Deferred Shares.

Resolution 5 (authority for market purchases of own shares)

Resolution 5 grants the Company authority to make limited market purchases of the Company’s ordinary shares. The authority is limited to a maximum aggregate number of 808,979 ordinary shares and sets out the minimum and maximum prices that can be paid, exclusive of expenses. The authority conferred by this resolution will expire at the conclusion of the Annual General Meeting of the Company at which the Company’s annual accounts for the financial period ended 31 December 2024 are presented, or 30 June 2025 whichever is earlier.
